Location:	Vic Bars Weymouth
Purpose Of Meeting:	Monthly Meeting
Attendees:	48

Sheila Vogwell opened the meeting by welcoming members and introducing this month's guest speaker David Mansley from i-facial.co.uk.

David gave an interesting talk starting with a brief history of his career with over 30 years nursing experience followed by additional training within the field of Aesthetics. David outlined the history and origins of Botox, its development during World War 11 as a potential biological weapon to its current use in some medical conditions and popular use as a beauty treatment to relax muscles and reduce wrinkles. Other treatments outlined included dermal fillers used to plump up lips, noses, chins and cheeks and hyperhidrosis for the treatment of excessive sweating.

After his talk David asked for volunteers and Sue Wormold bravely put her hand up, signed a consent form, and had a Botox treatment for some – minor – frown lines. Sue confirmed a painless treatment but there were no other volunteers!

David ended his presentation by talking to members at each table and answering their questions.

Sheila thanked David for his presentation and after a break the meeting continued with its other business.

Sheila reminded members that volunteers and cakes were still required for Bestival on 27-29 July and Camp Bestival on 3-5 August.

The paddle boarding event organised by County for 11 July was now full but the committee were looking to see if a local event could be arranged for September.
